MALACHITE TENTED SUITES

UNCLAIMED OPULENCE ON THE EDGE OF THE MIGHTY ZAMBEZI

Malachite Tented Suites sit on the banks of the mighty Zambezi River and is positioned about 2.5km (1.5 miles) downstream from the Main Lodge and is located only 4.5km (2.8 miles) from the legendary Victoria Falls, which lies downstream. The property is so well located that you can see the actual 'spray' (mist) that the Falls create from the lodge. The private concession on which the Malachite Lodge is located, boasts about 1.5km (0.9 miles) worth of prime and uninterrupted views of the Zambezi River which provides the ultimate backdrop for an unforgettable guest experience in this camp.

Victoria Falls River Lodge's Malachite Camp is a space where Art Deco meets Afro-centric designs to create a truly immersive experience for our esteemed guests. The camp is accessed either by boat or vehicle and is comprised of an expansive main lodge, pool area and 8 beautiful suites. The camp layout is extremely generous and because of the limited number of units, it remains exclusive - it is a space that allows one privacy and room to breathe.
